YESTERDAY'S GAMES.

TO-DAY'S SCHEDULE.

Boston, Mass., July 21.-After a thirteen inning struggle which sparkled with bril-Americans defeated the St. Louis Browns and forced the visitors from second place to third. In many ways the game was one ton avenue grounds. One error was made on each side, and the one battery misplay was in the defeat of the Browns, as it put gherty on base in the first faming, and a Kaboe muffed Friel's assist the free bloomed into a tun. The score was

ttes before the game was called, and, in onsequence, were a bit tired, but nevertheess palyed a great game. Bill Dineen at as: broke his boodoo. Dineen lost an eighten-ining game last year and one extra-nning game this year, besides having been

count.

Kahoe's meff at the plate in the first inning on Friel's throw to get Dougherty on an attempt to core from second on Stehl's single really lost the game, as it gave the Bostons two runs to start with. Ferris saved the day for Boston in the thirteenth toning, making a phenomenal stop of Bonahue's hard-going grounder. It was a most remarkable piece of fielding.

Hemphill a Star. as a most remarkable piece of Hemphill a Star.

Hemphill bisyed a magnificent game. He hit safety four times and his home-run in the third inning scored Burkett, who had got to first safety after forcing Donahue, who had singled at second. He played the outfield well. Wallace covered his territory in a marvelous manner. He accepted a dgem chances and took part in three fast double plays. Collins, Parent, Padden, Ferris and Hemphill exceeded in the field.

As the game progressed the crowd, numbering over 8(60) despite the conflict, Boston und Philidelphia playing on the South End grounds, cheered and applauded every chance for a Boston victory. on a hit by Collins, Stahl's sacrifice and Freeman's hit. The score:

A flost Remarkable Remedy That Quickly Restores Lost Vigor To flen.

A Free Trial Package Sent By Mail

Free trial packages of a most remarkable remedy are being mailed to all who will write the State Medical Institute. They cared so many men who had battled for years against the mental and physical suffering of lost manhood that the institute has decided to distribute free trial packages to all who write. It is a home treatment and all men who suffer with any form of sexual weakness, resulting from youthful folly, premature loss of strength and memory, weak back, varioccele or emacintion of parts can now cure themselves at home.

The remedy has a peculiarly grateful effect of waimth and seems to act direct to the desired location, giving strength and development just where it is needed. It cures all the fills and troubles that come from years of misuse of the natural functions and has been an absolute success in all cases. A request to the State Medical Institute, 1046 Elektron building, Fort Wayne, Ind., stating that you desire one of their free trial packages will be complied with promptly. The Institute is desirous of reaching that great class of men who are unable to leave home to be treated and the free sample, will enable them to see how easy it is to be cured of sexual weakness when the proper remedies are employed. The Institute makes no restrictions. Any man who writes will be sent a free sample, carefully scaled in a plain package, so that its recipient need have no fear of embarrasument or publicity. Read-

SECRETARY HEDGES RETURNS.

on as long as he could not work. He was paid in full.

"The story that we are trying to cut down expenses is untrue. We have had a lot of hard lock, but I am more confident now than at any time before that we are going to land the American League pennant. I have instructed Manager McAlcer to spare no expense in building up the ream, and we paid Mike Kahoe a good price when we signed him. He is catching gilt-edge hall and if we need any other players we will go out and get them. Heddrick has not rejoined the team, despite contrary reports, but I am not worried. The story that he and Harper and Wallace will jump does not contain a word of truth, for I know of every offer that has been made them, and I know that they will stay with the Browns. The new Baltimore club is stronger than the old, and Mr. Freedman really served our best interests when he took McGraw and Kelley away from there."

Mr. Hedges will remain in the city until the middle of August.

in to-day's game against Pittsburg, Jack Chesbro will be the Pirate boxman, and the chances for a close game are good. Chesbro has quite a shut-out record, having been scored on but twice in the last fifty-four innings he has pitched.

The Cardinals once more head the sec-end division, while the Browns have dropped to third in the American League. The race in that organization is a close one. Powell will pitch to-day's game at Boston.

The old Cardinal infield worked well

REPUBLIC SPECTAR

San Francisco, July 22 .- As the time draws near for the meeting of Fitzsimmons and Jeffries the interest, which has been apathetic, appears to quicken, and the big fight is the principal topic of conversation in cafes and on street corners. Everywhere the question is heard: "Has Fitzsimmons ing the figures it is easy to see just how a chance to win?" Almost invariably the answer comes: "Yes; a possible chance, and that is all."

Fighters Contrasted.

James J. Jeffries is in the flower of his youth as a fighter. He has the frame and strength of a giant. Some of his powers have been somewhat abused, but he still retains the stemina which only youth ean have. On the other hand, Fitzsimmons has passed the limit of years when a trained athlete is supposed to be at his best. He may be in as good condition as it is possible for him to reach at his time of life, but the question whether that condition is good enough to go against a young opponent is not settled to the satisfaction of the average ringsider by any means.

Betting on the battle is said to be 2 to 1 in favor of Jeffries, but the basis for such statements does not appear on the surface. The odds which are quoted do not upresent public sentiment. There is lattle or no Fitzsimmons money in sight and there is no record of any large amount having been placed at this figure.
